

FOR IMMEDIATE RELEASE

Wilkins Kennedy LLP to Join Allinial Global

ATLANTA, GEORGIA July 6, 2016 – Wilkins Kennedy LLP, a leading independent accountancy firm in the United Kingdom, has submitted its intent to become a member of Allinial Global.

With sixty-eight partners, 500 staff, and fifteen offices throughout seven counties in southeast England, Wilkins Kennedy has grown rapidly since it was established in 1882. Now ranked as a Top Twenty Firm of Chartered Accountants and Business Advisors in the UK, the firm has a diverse client base and a strong international presence. Using a flexible, client-focused approach, Wilkins Kennedy provides a full range of accounting and business advisory services, along with specialties in several sectors, such as financial markets, technology, retail, real estate, and legal services.

Wilkins Kennedy's intention for membership was announced at the recent Allinial Global International Forum in Washington, DC. "We are excited that Wilkins Kennedy are joining us," said Terry Snyder, Allinial Global's President and CEO. "They are a high caliber firm, and their commitment to client satisfaction through continual growth and development makes them a great match for us as our association expands internationally."

As a current member of IAPA International, Wilkins Kennedy will be the first firm to have dual membership at both IAPA and Allinial Global, signifying strong solidarity between the two associations. Integration committees from both organizations are working diligently to meet the December deadline for a merger proposal.

About Allinial Global:

Allinial Global is a member-based association dedicated to the success of independent accounting and consulting firms. Founded in 1969, this strategic affiliation of legally independent accounting firms has a mission to foster the independence, profitability, and continuous improvement of its members. Allinial Global is based in North America but offers international support by connecting its member firms to providers and global networks of accounting firms worldwide.
