**THE COMMERCIAL APPEAL NAMES REYNOLDS, BONE & GRIESBECK  
A WINNER OF THE MEMPHIS 2016 TOP WORKPLACES AWARD**

Memphis, TN December 8, 2016 – Reynolds, Bone & Griesbeck PLC (RBG) has been awarded a 2016 [Top Workplaces](#) honor by The Commercial Appeal. The Top Workplaces lists are based solely on the results of an employee feedback survey administered by [WorkplaceDynamics, LLC](#), a leading research firm that specializes in organizational health and workplace improvement. Several aspects of workplace culture were measured, including Alignment, Execution, and Connection, just to name a few.

RBG has been a four-time Top Workplaces finalist, a two-time recipient of the Top Workplaces Ethics Award, and this is the firm’s first overall win for the business category of less than 100 employees.

“The Top Workplaces award is not a popularity contest. And oftentimes, people assume it’s all about fancy perks and benefits.” says Doug Claffey, CEO of WorkplaceDynamics. “But to be a Top Workplace, organizations must meet our strict standards for organizational health. And who better to ask about work life than the people who live the culture every day—the employees. Time and time again, our research has proven that what’s most important to them is a strong belief in where the organization is headed, how it’s going to get there, and the feeling that everyone is in it together. Claffey adds, “Without this sense of connection, an organization doesn’t have a shot at being named a Top Workplace.”

RBG is currently finishing its 100<sup>th</sup> anniversary celebration, and this is a wonderful way to end the occasion.
