

FOR IMMEDIATE RELEASE

Allinial Global Again Ranked #1 in the UK

ATLANTA, GEORGIA February 9, 2021 — According to the International Accounting Bulletin's January 2021 country surveys, Allinial Global once again ranks as the largest association in the United Kingdom in terms of fee income and total staff.

United Kingdom

- ▶ Ranked #1 for fee income – 567.6 (£m)
- ▶ Ranked #1 by total staff – 3,962

Up from 284.8 £m in fees last year, Allinial Global has posted an impressive 99 percent growth in fee income. The association currently has seven UK member firms whose offices span over 98 locations throughout the United Kingdom.

“The United Kingdom has long been central to our strategy both globally and regionally, and we are thrilled to see rankings that reflect the strength and quality of our member firms in this critical location. As evidenced by their remarkable performance during these challenging and unpredictable times, our UK member firms bring unmatched capabilities and expertise to the Allinial Global membership.”

—Mark Koziel, President and CEO, Allinial Global

About Allinial Global:

Allinial Global is a member-based association dedicated to the success of independent accounting and consulting firms. Founded in 1969, this strategic affiliation of legally independent accounting firms has a mission to foster the independence, profitability, and continuous improvement of its members. Allinial Global is two hundred and thirty-eight members strong and growing, with locations throughout the world generating over \$4 billion in collective revenues. With dedicated regional liaisons who have extensive connections throughout the Americas, EMEIA (Europe, the Middle East, India, and Africa), and the Asia Pacific region, members of Allinial Global are committed to providing the most agile, flexible, and client-centric solutions anywhere, anytime.
