ATLANTA, GEORGIA November 18, 2020 — Allinial Global is pleased to announce that two of its member firms have been featured in Accounting Today's 2020 list of 10 Best Firms for Young Accountants.

2020 BEST FIRMS FOR YOUNG ACCOUNTANTS

- ▶ Holtzman Partners LLP (Austin, TX)
- ▶ Sweeney Conrad, P.S. (Bellevue, WA)

Each year, Accounting Today and Best Companies Group recognize the 100 Best Firms to Work For in the United States. In 2020, the 10 Best Firms for Young Accountants were selected from within this group based on a number of additional criteria.

To qualify for this elite group, firms needed to have at least 15 employees under the age of 30 or have employees under 30 constitute at least 10 percent of their total staff. The top firms were then evaluated according to staff responses to a comprehensive employee survey.

Congratulations to Holtzman Partners and Sweeney Conrad!

"At a time when talent remains one of the top concerns for firms all over the globe, we are proud to see Allinial Global members included among the leading firms for young accountants. With innovative, people-focused strategies for recruitment, retention, and leadership development, these members are doing much more than ensuring their firm's success—they are paving the way for the future of the profession."
