Allinial Global Named Association of the Year

ATLANTA, GEORGIA October 5, 2018 — We are pleased to announce that Allinial Global has been named Association of the Year by *The Accountant* and *International Accounting Bulletin* at the 2018 Digital Accountancy Forum & Awards program.

Every year *The Accountant* and *International Accounting Bulletin* organize a panel of independent judges to review contestants in 19 award categories that celebrate excellence, innovation, and thought leadership in the global accountancy market. The 2018 finalists and winners were announced at a gala celebration at the Waldorf Hilton in London on October 4, 2018.

The Association of the Year award recognizes the execution of profitable growth strategies and consistent delivery of high-quality professional services. After growing by 42 percent in 2017, Allinial Global was selected for its remarkable growth and recent achievements in a number of strategic and operational areas. Through these efforts, the association has increased collective revenues to over \$2.5 billion and expanded its geographic presence to 65 countries throughout the world.

"We are absolutely thrilled to be honored as Association of the Year, and I couldn't be more proud of our team and our accomplishments over the past 12 months. This is a tremendous honor that reaffirms our commitment to building the most member-driven and client-centric international accounting association in the world."

—Terry Snyder, President and CEO, Allinial Global
