Allinial Global Welcomes New Member Baldwins

ATLANTA, GEORGIA January 7, 2019 — Allinial Global is pleased to announce that our largest member firm in the UK, Wilkins Kennedy LLP, has combined with Baldwins, the centerpiece firm of equity company Cogital Group.

Wilkins Kennedy and Baldwins have elected to maintain their membership in Allinial Global together, which contributes a total of 2,700 employees, 84 locations, and \$242 million in revenues to our membership. This valuable addition provides Allinial Global members with enhanced geographic coverage and access to an even broader range of services and expertise.

Wilkins Kennedy and Baldwins join our existing UK team of MGR Weston Kay, Harwood Hutton, EisnerAmper Ireland, Kajaine, and EisnerAmper London—all outstanding firms representing an extensive range of specializations and services in a key part of our EMEIA region.

“This is a tremendous addition to our already strong UK team, and as we begin our fiftieth anniversary year, we are proud to be offering our members even more value through access to broader services, deeper niche expertise, and more complete geographic coverage.”
