Allinial Global Welcomes Two New Members

ATLANTA, GEORGIA February 19, 2019 — Allinial Global is pleased to welcome 2 new member firms: LIMA Partners Limited in Ghana and McCay Duff LLP in Canada.

LIMA Partners Limited – Accra, Ghana

Incorporated in Ghana in 2014, LIMA Partners is a boutique accounting and business advisory firm specializing in tax, internal audit and review, compliance, and business strategy. With a mixture of accounting, compliance, and paralegal professionals, the firm helps clients navigate the Ghanaian and English West African markets, and they have advised some of the largest and most complex transactions in Ghana's recent history.

McCay Duff LLP – Ottawa, Canada

Founded in 1946, McCay Duff LLP provides a full range of accounting, tax, and business consulting services to small and medium-sized owner-managed businesses, not-for-profit organizations, and individuals. The firm's specialties include medical, dental, and veterinary corporations, legal professionals, and commercial real estate, but they also have audit concentrations in condominium corporations and member-based nonprofits, as well as a growing US tax practice.

"We are thrilled to welcome two new members who share our vision and help us expand the breadth of our location and niche-specific resources. Allinial Global is off to a wonderful start in 2019, with many exciting initiatives in the works—but what makes those developments possible is the strong foundation of outstanding firms in our membership."
