Gewerbe-Treuhand AG Ascends to 7th Largest Firm in Switzerland

ATLANTA, GEORGIA October 22, 2018 — We are pleased to announce that member firm Gewerbe-Treuhand AG has risen through the ranks to become the seventh largest accounting firm in Switzerland.

The firm's upward momentum comes from consistent internal growth over the course of the last decade, which has seen the acquisition of seven former competitors within the last eight years. This growth has positioned Gewerbe-Treuhand AG at the top of the Swiss market and made them a valuable resource to Allinial Global firms seeking assistance in Switzerland.

With approximately 160 employees and eight different locations, Gewerbe-Treuhand AG is well-equipped to serve clients of all sizes with everything from start-up to succession planning. A capable competitor both at the local and international level, the firm serves a variety of niches, including comprehensive tax advisory, audit, business advisory, M&A, financing, real estate, legal services, payroll services, management and training, IT services, and pension planning.

*"It is a pleasure, but not a surprise, to see our member firms reaping the rewards of their longstanding commitment to exceptional performance and client service. We are proud to count Gewerbe-Treuhand AG among our membership and always happy to see Allinial Global firms growing and flourishing both in their local markets and beyond."*
